YOUTH LEGO CONTEST

2026 WATERTOWN WINTER FARM SHOW
FEBRUARY 11-14, 2026

The Watertown Winter Farm Show will host a Youth Lego Contest, sponsored by Watertown Area Community Foundation.
Youth, ages 3-12, are invited to compete. The contest will be held in Classrooms B/C at the Codington County Extension Complex, February 14, 2026. Participants will be given a maximum time of 30 minutes to assemble their Lego project. No theme will be assigned. You will need to bring your own Legos and a base on which to put your entry. No portion of the project may be assembled prior to the contest. Table space to work will be provided. Judges will be observing and asking questions as the projects are assembled. The use of Lego Building Kits is accepted but no points will be awarded for creativity.

Judging will be based on creativity of the project, ability to answer questions, and completed project within time allowed. Participants may win first place in each age category more than once, but not two years in a row. Prizes will be awarded to the TOP THREE in each age category.
